

Dear Lake Shore Residents & Business Owners:

The City of Lake Shore has established a trail team called TRAIL 77 TEAM with the following mission:

- To establish a multi-use recreational trail system along the Co. Rd. 77 corridor with future plans to connect with the City of Nisswa, City of East Gull Lake and the Paul Bunyan Trail.
- To provide a safe environment within the City of Lake Shore that may save lives and prevent serious injuries.
- To work with property owners to determine the best trail routing.
- To preserve and enhance the scenic and economic environment in Lake Shore.

The first public meeting to get input, concerns, and ideas for the trail will be held on **Thursday, May 31st at 6:30** pm at the Lake Shore City Hall. Hope you can join us to share your thoughts on the concept of a trail for the City of Lake Shore.
