

**MINUTES**  
**LAKE SHORE PARK & RECREATION COMMITTEE**  
**MONDAY, AUGUST 19, 2013**  
**7:00 PM**  
**CITY HALL**

Members present: Steve Hanousek, Cindy Terwilliger and Bob Wilmes; Council Liaison Krista Knudsen. Terry Frovik and Don Hoger were absent.

Teri Hastings provided a copy of the annual budget for the committee to determine what is needed for 2014.

Jim Thomes provided a list of the tasks at the park that he had complete from the June Park and Recreation Committee walk through. He questioned where the lawn mower was that was dedicated to the park committee to mow the trails. The committee discussed what Jim has completed on the task list. Cindy Terwilliger suggested that either KC Moore or Mike Wheeler may have it.

Krista said the Environmental Committee is discussing spraying for mosquitoes in the city. The Park committee doesn't think the park should be sprayed. John and Cindy will go take down the old gate.

Steve asked how the dedication sign is coming along. No one had a firm answer. Krista will talk with John Poston.

Tape ended.
